UNIVERSITÀ
CATTOLICA
del Sacro Cuore

Policlinico Gemelli, Rome

Date:

Thursday 16th January 2020 &
Friday 17th January 2020

Course Language:

The course language is English.

Venue:

European Endoscopy Training
Centre (EETC)

Largo F. Vito, 1
00168 Rome, Italy

www.eetc.it

The EETC is the first structure in Europe to be exclusively dedicated to teaching and training in Digestive Endoscopy and one of the first in the world to have been purposely designed as such.

It has already been recognised as an Official Training Centre by the European Society of Digestive Endoscopy (ESGE) and from the World Organisation in Gastroenterology and Endoscopy (WGO-WEO).

Registration:

Please contact Mrs. Flaminia Belli
at: eetc@abcongress.it

www.pentaxmedical.com
