Advanced bronchoscopy

January 25th, 2018

Director: Prof. Dr. Klaus F. Rabe

 LUNGENCLINIC
GROSSHANSDORF

Date:

January 25th, 2018

Course objective:

Bronchoscopy is a fascinating diagnostic hallmark in pneumology. During this course, bronchoscopists already basically trained will be provided with the essential theoretical background and practical guidance for understanding indications and contraindications of bronchoscopic techniques and for implementing modern diagnostic and therapeutic modalities in their daily practice.

Target audience:

Bronchoscopists already trained to a basic level.

Trainers:

Prof. Dr. Klaus F. Rabe, medical director

Dr. Martin Claussen, senior consultant pneumology

Dr. David Heigener, senior physician thoracic oncology

Dr. Bernd Schucher, senior physician pneumology/ICU

PD. Dr. Lutz Welker, director cytology

Dr. Stephan Herden, senior physician anaesthesia

Course Language:

The course language is English.

Venue:

LungenClinic Grosshansdorf
Center of Pneumology and Thoracic Surgery
Wöhrendamm 80, 22927 Großhansdorf
